WE SOURCE & SELL WINES WITH STORIES

Classic, refined, elegant and approachable from known and respected regions within Europe with a definitive focus on sustainability.

We partner with women paving a path, new generations stepping into legacies who seem to merge past & future into delicious high-value, small lot wines that deserve a place on your table & in your glass.

Important: **HST is not included** in the prices - we are honouring the tax holiday for full cases but they must be ordered by February 11th for delivery by the 15th. Delivery is only included where noted. Delivery across most main cities in Ontario from \$16 to \$22 per case. (Note: due to a trip to Wine Paris, 6-pack options for Bordeaux & Spanish mixed cases are not available until late February and will miss the HST holiday savings).

** denotes 4 or fewer cases available so don't delay!
= certified organic, biodynamic or terra vitis
