

# WINE-EDUCATION EXPERIENCES

## About your guide:

Be prepared to learn, laugh and connect as Jessica, WSET3, French & Canadian Wine Scholar and certified sommelier candidate, demystifies the world of wine through stories, history, memorable facts and an interactive experience built to connect you to the people who have dedicated their lives to bringing you the delicious juice in your glass.

*Jessica Chaikowsky*

## Consider these as a starting point:

- Taste like a Sommelier - introduction to structured wine tasting
- Bubbles - how & where they're made, myths and facts, finding great value
- All about the Pink - vinification techniques for rose, regional trends
- Country Focused: France, Spain, Sicily, Canada currently available
- Premium Seminars: Principles of Pairing, Old World vs New World

1.5 hour experience at your location for up to 10 people - starts at \$480

- Includes guided experience with an experienced wine expert & all materials
- Setup/teardown
- Pairing/snack suggestions
- 3 wines (3 oz of each)
- Tasting glass rental
- Mileage/parking, permits, insurance & taxes not included

## PACKAGE OPTIONS

2.5 hour premium experience at your location for up to 10 people - starts at \$725

- All services, materials, exclusions from 2-hour experience with:
  - 6-8 wines (2-3oz of each)
  - light pairing bites for experiential pairing activities

## Consider these add-ons

- Let us plan - we have access to private wine clubs, private chefs, tailored tasting menus at some of the top restaurants
- Take-away gifts: gift-worthy wines with your brand on tasting notes, wine-friendly chocolates, wine-inspired scented candles, etc. - our goods & provisions offerings are growing
- Virtual offerings with plenty of flex options for all budgets
